Ad Layouts

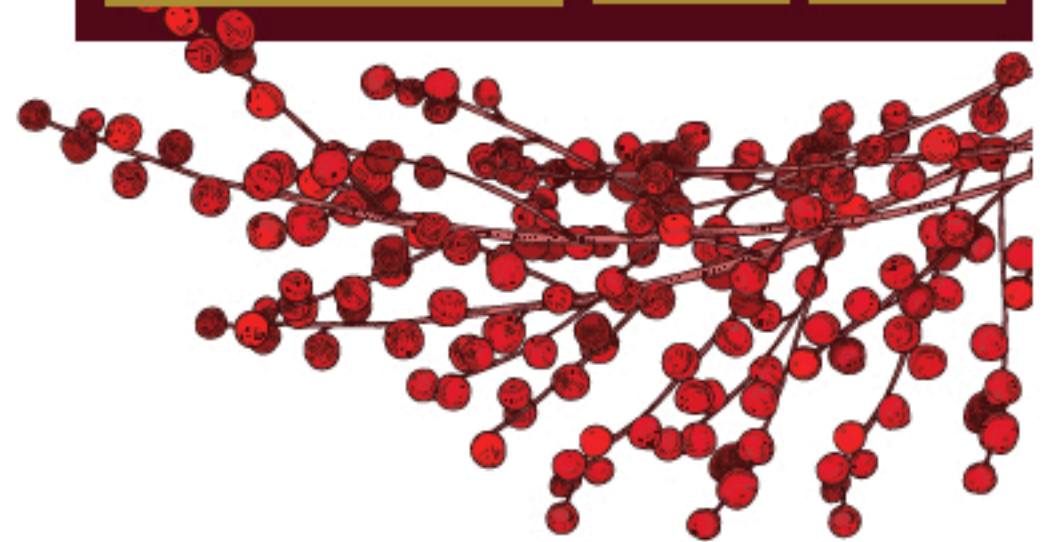

Ad Specifications

PREFERRED FILE FORMAT

PDF/X-1a files are strongly recommended. Native files are discouraged, but we will accept InDesign CS files. InDesign's "Package" will ensure that fonts, graphics and photos are included with the page layout document.

IMAGE RESOLUTION

All photos must have a resolution of 300 DPI at 100% of the print size. All color images must be in CMYK format: no RGBs, Pantones or spot colors. Any ads with non-compliant colors will be converted to CMYK and color accuracy cannot be guaranteed.
